

Technical Society. It has been prepared by the Chirana Research Institute of Medical Engineering in Brno and the General Council of the Czechoslovak Scientific and Technical Society in Prague. Simultaneous translation into Czechoslovakian, Russian, and English will be provided. The symposium fee (2000 Czech crowns) will cover the Congress fee, accommodations and board, social program, a visit to the Brno Trade Fair, excursions, insurance during the symposium, and one copy of the Proceedings published after the symposium. For further information, write Symposium Secretariat, Chirana Research Institute of Medical Engineering, Kamenice 3, 658 09 Brno, Czechoslovakia (phone: 335511, telex 62684).

The 5th International Congress of International Microsurgical Society will be held in Bonn, Germany, October 4–7, 1978. For further information, write A. Holst, Secretary of Congress, Chirurgische, Univ.-Klinik, 5300 Bonn-Venusberg, Germany.

European Dialysis and Transplant Association

Membership in the *European Dialysis and Transplant Association* (EDTA) is open to qualified workers in fields that are of interest to the Association (hemodialysis, peritoneal dialysis, renal transplant, and the broad field of nephrology, including clinical nephrology, renal physiology, renal pathology, etc.). Full membership is limited to scientists who reside in Europe and the adjacent countries; associate membership is available to scientists from other countries. Candidates for full or associate membership must be proposed by two full or associate members on a form provided by the Secretary-Treasurer. This proposal, accompanied by a letter of recommenda-

tion from one of the proposers, should be sent to the Secretary-Treasurer for consideration by the Council. All members are entitled to 1) receive information about the annual Congress and all General Assemblies of the Association, 2) participate in the annual Congress and 3) receive an annual copy of the Proceedings of the EDTA. For further information, write Dr. Vittorio E. Andreucci, Secretary-Treasurer, Division de Nefrologia, Seconda Facolta De Medicina Universita, Via S. Pansini, 89131 Napoli, Italy.

The *Proceedings of the XIV Congress of the European Dialysis and Transplant Association (EDTA)* is available from Pitman Medical, 42 Camden Road, Turnbridge Wells, Kent TN1 2QD, England (Price: £18.00). In the United States, it can be ordered from Dr. George E. Schreiner, Editor, Transactions of the ASAIO, Georgetown University Medical Center, Washington, D.C. 20007, U.S.A. Volume XIV includes a forum on the prospects for specific immunosuppression, articles on plasma exchange in glomerulonephritis and on the pathophysiology of acute renal failure, the latest statistical report on treatment of renal failure in Europe, and over 50 original contributions on nephrology, renal replacement, and transplantation. Copies of Volume XIII, 1976, Price £18, are still available from the above address.

Erratum

Please note an erratum for a recent article by de Senarclens et al (*Kidney Int* 11:161–169, 1977): On p. 162 (Fig. 1) and p. 163 (Results and Table 1), the unit for the renal renin content (RR) should read $\mu\text{g/g}$ of kidney tissue instead of $\mu\text{g/mg}$ of kidney tissue.
